PROGRESS IN ACUPUNCTURE, ELECTRO-THERAPEUTICS & RELATED FIELDS

8:00 am Registration

Symposium Yoshiaki Omura, M.D., Sc.D., F.A.C.A., F.I.C.A.E., F.A.A.I.M., F.R.S.M.
Chairman: Symposium Chairman, New York, U.S.A.

Symposium Dominic P. Lu D.D.S., F.I.C.A.E., Cert. ORT-DDS (3 Dan)
Co-Chairman Prof. of Oral Medicine, University of Pennsylvania; Director of Oral Medicine and Dental Externship Education Department of Dentistry; Lehigh Valley Hospital/Penn State Univ College of Med.; President, American Society for Advancement of Anesthesia in Dentistry

Session Petr Fiala, M.D., F.I.C.A.E.
Co-Chairman Director, Rehabilitation Hospital, Prague, Czech Republic
Executive Member of Czech Medical Acupuncture Society & of European Acupuncture Association

9:00 am Opening Remarks by Symposium Chairman and Symposium Co-Chairmen

9:30 am **Quantum Changes of Human Telomere and Anti-Cancer, Anti-Aging, Anti-Alzheimer's Disease & Autism, Anti-Cardiovascular Disease and Anti-Pain Obtained by Increasing Normal Cell Telomere to Optimally High Value**
Yoshiaki Omura, M.D., Sc.D., F.A.C.A., F.I.C.A.E., F.A.A.I.M., F.R.S.M.
Symposium Chairman

10:00 am Discussion

10:10 am **An Introduction to an Exciting, Inspiring, Bi-Digital O-Ring Test with Convincing Results of Diagnosis and Therapeutic Effect. Including Demonstration with Documentary**

Andrew Pallos, D.D.S., F.I.C.A.E., Cert. ORT-DDS (3 Dan)

Active Member of the International College of Acupuncture & Electro-therapeutics

Ignatius Kazella, D.D.S., F.I.C.A.E., Cert. ORD-DDS (1 Dan)

11:10 am Discussion

11:20 am **Lipid Therapy for Neurological Disease**

Patricia Kane, Ph.D., F.I.C.A.E.

NeuroLipid Research Foundation

Mark O'Neal Speight, M.D., F.I.C.A.E.

University of North Carolina at Chapel Hill

Katrin Bieber, M.D., F.I.C.A.E.

University of Ulm, Germany

12:10 pm Discussion

12:20 pm Lunch

1ST Day - AFTERNOON SESSION: Saturday, October 31, 2009

QUICK, NON-INVASIVE DIAGNOSTIC METHODS BY VISUAL INSPECTION AND HOW TO PREVENT EXPOSURE TO HARMFUL ELECTRO-MAGNETIC FIELD, AND SAFE & EFFECTIVE ACUPUNCTURE AND RELATED TREATMENTS, INCLUDING AYURVEDIC MEDICINE

Session Yoshiaki Omura, M.D., Sc.D., F.A.C.A., F.I.C.A.E., F.A.A.I.M., F.R.S.M.
Chairman: Symposium Chairman, New York, U.S.A

Session Ruth Kirkeby, M.D., F.I.C.A.E., Specialist in Neurology
Co-Chairman: Former President, Danish Medical Association of Acupuncture

Session Dominic P. Lu D.D.S., F.I.C.A.E., Cert. ORT-DDS (3 Dan)
Co-Chairman Prof. of Oral Medicine, University of Pennsylvania; Director of Oral Medicine and Dental Externship Education Department of Dentistry, Lehigh Valley Hospital/Penn State Univ College of Med.; President, American Society for Advancement of Anesthesia in Dentistry

1:20 pm **The Reconnection Healing Arts Practitioners Speed Up DNA**
Glen Rein, F.I.C.A.E.
Formerly Assistant Professor, Orthopedics, Mt Sinai Medical School, New York, NY
Quantum Biology Research Lab, Ridgway, CO

1:50 pm Discussion

2:00 pm **1. Quick Non-Invasive Diagnosis by Visual Inspection of Face, Eyebrow, Nose, Lip, & Tongue (Surface & Underside), etc. using Accurate Organ Representation Area Map made by the Bi-Digital O-Ring Test Resonance**

Phenomenon between 2 Identical Substances, and “Selective Drug Uptake Enhancement Method to Deliver the Drug Selectively to The Pathological Area”

2. Non-Invasive Bi-Digital O-Ring Test Evaluation of Neurotransmitters & Infections of the Brain: Common Potential Predictable Pathological Factors for Alzheimer’s Disease & Autism, as well as All Types of Mass Murderer Brains Obtained from Direct or Photographic Examination of Brain or Indirectly From Signature or Handwriting, Most of Which Can be Treated Effectively Before Creating a Serious Problem

Yoshiaki Omura, M.D., Sc.D., F.A.C.A., F.I.C.A.E., F.A.A.I.M., F.R.S.M.
Symposium Chairman

3:00 pm Discussion

3:10 pm **Tourette’s Syndrome: A Pilot Study for the Discontinuance of a Movement Disorder**

Brendan Stack, D.D.S., M.S., F.I.C.A.E.

Former Founder of American Academy of Head, Neck, Facial & Oral Pain
Anthony Sims, D.D.S.

3:40 pm Discussion

3:50 pm **Position and Education of Acupuncture in Czech Republic**

Petr Fiala, M.D., F.I.C.A.E.

Director, Rehabilitation Hospital, Prague, Czech Republic
Executive Member of Czech Medical Acupuncture Society & of European Acupuncture Association

4:05 pm Discussion

4:10 pm **Acupuncture in Brain Damages (Strokes, Cerebral Palsy, Injuries) - A Suggestion of Synaptic Bypasses**

Petr Fiala, M.D., F.I.C.A.E.

Director, Rehabilitation Hospital, Prague, Czech Republic
Executive Member of Czech Medical Acupuncture Society & of European Acupuncture Association

4:40 pm Discussion

4:50 pm **Holitherapy: Basic Principles of New Approaches to Acupuncture and Related Techniques by Using Bi-Digital O-Ring Test (Lecture & Demonstration)**

Kemal Nuri Ozerkan, M.D., Ph.D., F.I.C.A.E., Cert. ORT-MD (4 Dan)

Associate Prof., Physical Education Teaching Dept., School of Physical Education and Sport, Istanbul University

5:30 pm Discussion

5:35 pm **Investigating Lyme disease treatments for a vision impaired patient for PMAP (Personalize Medicine according to Ayurveda by Patel) using EAV (Electro Acupuncture by Voll) diagnosis (Lecture & Demonstration)**

Narayan G. Patel, Ph.D., F.I.C.A.E.

President and Research Director, Ayurveda Center, Wilmington DE, USA.
 Member Steering Board, Alternative Medicine, University of Pennsylvania
 Medical School Philadelphia, PA, USA.

5:55 pm Discussion
 6:00 pm Dinner Intermission

1ST DAY- EVENING SESSION: Saturday, October 31, 2009

SYMPOSIUM ON NON-INVASIVE QUICK DIAGNOSIS OF INTRACTABLE MEDICAL PROBLEMS USING MOUTH-WRITING, HAND-WRITING, FOOT-WRITING AS WELL AS ACCURATE ORGAN REPRESENTATION AREAS ON THE FACE, TONGUE, ABDOMEN, BACK, MERIDIANS, ACUPUNCTURE POINTS & BIO-ENERGY AND THEIR CLINICAL USE; ON CLASSIFICATION OF 2 TYPES OF QI-GONG ENERGIES (+)&(-) & HOW TO STORE POSITIVE(+) QI-GONG IN PAPERS, & HOW TO USE THEM FOR PAIN, CIRCULATORY DISTURBANCES, & ASTHMA ATTACKS

Session Chairman: Dominic P. Lu, D.D.S., F.I.C.A.E., Cert. ORT-DDS (3 Dan)
 Prof. of Oral Medicine, University of Pennsylvania; Director of Oral Medicine and Dental Externship Education Department of Dentistry, Lehigh Valley Hospital/Penn State Univ College of Med.; President, American Society for Advancement of Anesthesia in Dentistry

Session Co-Chairman: Yoshiaki Omura, M.D., Sc.D., F.A.C.A., F.I.C.A.E., F.A.A.I.M., F.R.S.M.
 Symposium Chairman, New York, USA

7:00 pm **Clinical Demonstration & Workshop on the Clinical Application of Mouth-writing, Handwriting and Foot-writing for Quick Non-Invasive Diagnosis of Cancer, Alzheimer's Disease and other Difficult Medical Problems Before & After the Treatment**
Yoshiaki Omura, M.D., Sc.D., F.A.C.A., F.I.C.A.E., F.A.A.I.M., F.R.S.M.
 Symposium Chairman
 Harsha Duvvi, M.D., M.S., F.I.C.A.E., Cert. ORT-MD (3 Dan)
 Clinical Assistant Prof., Dept. of Community & Preventive Medicine, & Dept. of Neurology, New York Medical College
 Andrew Pallos, D.D.S., F.I.C.A.E., Cert. ORT-DDS (3 Dan)
 Active Member of the International College of Acupuncture & Electro-Therapeutics
 Marilyn K. Jones D.D.S., M.Sc., F.I.C.A.E. Cert. ORT-DDS (3 Dan)
 Director, Holistic Dental Center of Houston, TX
 Member of Editorial Board of Acupuncture and Electro-Therapeutics Research, The International Journal

8:00 pm **Part I: 2 Types of Completely Opposite Qigong Energy, (+) Qigong Energy (Which Is Highly Beneficial for Increasing Circulation and Reducing or Eliminating Pain), and (-) Qigong Energy (Which Can Create Circulatory**

Disturbances and Increase Pain). Including Clinical Demonstration

Yoshiaki Omura, M.D., Sc.D., F.A.C.A., F.I.C.A.E., F.A.A.I.M., F.R.S.M.
Symposium Chairman, New York

Dominic P. Lu, D.D.S., F.I.C.A.E., Cert. ORT-DDS (3 Dan)

Prof. of Oral Medicine, University of Pennsylvania; President, American Society for Advancement of Anesthesia in Dentistry

Director, Holistic Dental Center of Houston, TX

Member of Editorial Board of Acupuncture and Electro-Therapeutics Research, The International Journal

9:25 pm Discussion
9:30 pm End of First Day

2ND DAY - MORNING SESSION: Sunday MORNING, November 2, 2009

SYMPOSIUM ON ELECTRO-THERAPEUTICS, ACUPUNCTURE AND ROLE OF INCREASING NORMAL CELL TELOMERES BY VARIOUS METHODS FOR INTRACTABLE MEDICAL PROBLEMS INCLUDING CANCER, PAIN, STROKE, OTHER CIRCULATORY DISTURBANCES, & DIABETES

Session Yoshiaki Omura, M.D., Sc.D., F.A.C.A., F.I.C.A.E., F.A.A.I.M., F.R.S.M.
Chairman: Symposium Chairman, New York, U.S.A

Session Francisco Lozano, M.D., F.I.C.A.E.
Co-Chairman: Vice-President, Mexican College of Medical Acupuncturists; Prof., Dept. of Acupuncture, National School of Medicine and Homeopathy, National Polytechnic Institute

Session Ruth Kirkeby, M.D., F.I.C.A.E., Specialist in Neurology
Co-Chairman: Former President, Danish Medical Association of Acupuncture

Session Dominic P. Lu, D.D.S., Ph.D., F.I.C.A.E., Cert. ORT-DDS (3 Dan)
Co-Chairman: Prof. of Oral Medicine, University of Pennsylvania; Director of Medical and Dental Externship Education Department of Dentistry; Lehigh Valley Hospital/Penn State University College of Medicine; President, American Society for Advancement of Anesthesia in Dentistry

9:00 am **The Use of Acupuncture to Prevent, Delay or Reduce Complications of Diabetes Mellitus II, Metabolic Syndrome and Associated Disorders Including Demonstration**
Francisco Lozano, M.D., F.I.C.A.E.
Vice-President, Mexican College of Medical Acupuncturists; Prof., Dept. of Acupuncture, National School of Medicine and Homeopathy, National Polytechnic Institute

9:50 am Discussion

10:00 am **1. Acupuncture in a Neurological Specialist Praxis**
2. The Status and Activity of Acupuncture in Denmark
Ruth Kirkeby, M.D., F.I.C.A.E.
Specialist in Neurology
Former President, Danish Medical Association of Acupuncture

- 10:30 am Discussion
- 10:40 am **Different Methods of Increasing Normal Cell Telomeres Discovered by Omura, Y., Including the following:**
- 1) **True ST. 36**
 - 2) **One Optimal Dose of DHEA**
 - 3) **One Optimal Dose of Astragalus**
 - 4) **One Optimal Dose of Bosewellia Sellata**
 - 5) **One Optimal Dose of Graviola**
 - 6) **Certain Brazilian Wood with Strong Elastic Multiple Root**
 - 7) **Tuna Fish, Sermon, Eel**
 - 8) **Bitter Melon**
 - 9) **Mango, Papaya, Pineapple**
 - 10) **Some EMF Neutralizer**
 - 11) **Godanium like Metal**
 - 12) **Twin Stone from vicinity of Uluru, Australia**
 - 13) **Small Ancient Mayan Mirror**
 - 14) **Carbon Micro Coils**
- Yoshiaki Omura, M.D., Sc.D., F.A.C.A., F.I.C.A.E., F.A.A.I.M., F.R.S.M.
Symposium Chairman
- 11:10 am Discussion
- 11:20 am **On Mechanism of Bi-Digital O-Ring Test: Another Plausible Explanation Through Conscious Awareness via Visual Pathways**
Dominic Lu, D.D.S., F.I.C.A.E., Cert. ORT-DDS (3 Dan)
Professor of Oral Medicine, University of Pennsylvania; Director of Medical and Dental Externship Education; Chief, Division of Special Care Dentistry, Lehigh Valley Hospital/Penn State University College of Medicine; President, American Society for the Advancement of Anesthesia in Dentistry
- 11:45 am Discussion
- 11:50am **Bi-Digital O-Ring Test Historical Perspectives: Corroboration of Discoveries Using the Bi-Digital O-Ring Test (BDORT) with Current Research from Western Scientific Journals-Part XI-Review of BDORT & Corresponding Medical Studies with Emphasis on Asbestos and Pulmonary Disease**
Avraham Henoah, M.D., D.A.B.F.M., F.I.C.A.E., Cert. ORT-MD (1 Dan)
Secretary & Treasurer, Council of the International College; Fellow, American Academy of Family Medicine; Community Attending Dept. of Family Medicine, Pediatrics St. Lukes-Roosevelt Medical Center; Community Attending Dept. of Family Medicine, New York Presbyterian Hospital of Columbia Presbyterian Medical Center
- 12:20 pm Discussion
- 12:30 pm Lunch (Free Japanese Bento or Pizza and soft drinks, courtesy of the International College of Acupuncture & Electro-Therapeutics because University cafeteria is closed.) During lunch time, for those who are not familiar with the Bi-Digital O-Ring Test, a 54 minute-well documented DVD science program produced by

Tomoaki Tashiro, top science documentary producer in Japan, introducing Bi-Digital O-Ring Test will be shown. Mr. Tashiro spent 5 years creating this

documentary for the science documentary program "Television Museum," for the Tokai Television Station, Nagoya City Japan. Featured in the documentary are leading clinicians, researchers, and professors from medical and dental schools, and major hospitals in Japan. This documentary was broadcasted all over Japan and received high recognitions. Please enjoy the lunch time.

2ND DAY - AFTERNOON SESSION: Sunday, November 1, 2009

SYMPOSIUM ON RECENT PROGRESS ON ACUPUNCTURE, ELECTRO-THERAPEUTICS, BI-DIGITAL O-RING TEST, & EFFECT OF DIFFERENT SOUNDS ON CONTROL OF PAIN, PSYCHIATRIC PROBLEMS, ALHEIMER'S DISEASE, AUTISM, & REHABILITATION MEDICINE; ROLE OF ASBESTOS IN INTRACTABLE MEDICAL PROBLEMS INCLUDING CANCER, PAIN, ALZHEIMER'S DISEASE, AUTISM & REHABILITATION MEDICINE

- Session Chairman: Brian O'Young, M.D., Ph.D.
Clinical Assoc. Prof. Dept. of Rehabilitation Medicine, New York University School of Medicine; Medical Acupuncture Special Interest Group, American Academy of Physical Medicine and Rehabilitation; Director, Dept. of Int'l Rehabilitation Medicine, Rusk Inst. of Rehabilitation Medicine, NYU Medical Center; Acupuncture Consultant, Kathryn Walter Stein Chronic Pain Laboratory, Rusk Inst. of Rehabilitation Medicine, NYU Medical Center; Field Coordinator for North America, Int'l Society of Physical and Rehabilitation Medicine.
- Session Co-Chairman: Yoshiaki Omura, M.D., Sc.D., F.A.C.A., F.I.C.A.E., F.A.A.I.M., F.R.S.M.
Symposium Chairman, New York, U.S.A

2ND DAY - EVENING SESSION: Sunday, November 1, 2009

7:15 pm NY Waterway

- 7:15 pm Evening Ferry Excursion By NY Waterway: City Lights Cruise.**
Because of NY and ferry traffic, be sure to be at the pier at least by 7:15pm.
Experience the magic of "The City" at sundown as you gracefully cruise past the most famous city in the world as it comes to life with thousands of lights illuminating the iconic skyline. As the sun sets, the Manhattan skyline is transformed into a romantic and vibrant visual display you will not soon forget. For 90 minutes your guide will point out the twinkling sights. Departs from Pier 78 at West 38th Street. Please arrive 20 minutes prior to departure. Fare: \$26 per person (There is a discount for Senior Citizens, ages 62+). Please pay individually at the pier. (Bring some snacks and soft drinks, or purchase on board, and to record this memorable evening bring a camera or video camera. Wear warm clothes and bring a raincoat, because it is cold on the ferry at night. In case of rain, bring your umbrella.) There is only one City Lights Cruise a day, and if you are late for the 7:30 pm departure, there is no other cruise available. NY Waterway Telephone: 1-800-533-3779
If you take public transportation, often it takes too much time. We suggest 4 people together in each taxi to get there as quickly as possible.
- 9:15 pm End of Twilight Harbor Cruise**

9:30 pm

End of Second Day

Council members and those who wish to serve on the Council, please stay immediately after the Symposium on Sunday for a brief annual planning meeting.

All meetings of the International College of Acupuncture & Electro-therapeutics are accredited by New York State Boards for Medicine and Dentistry toward the 300-accredited hour requirement for the Acupuncture Certificate for licensed physicians and dentists to practice acupuncture in New York State. They are also eligible for **AMA/CME Category 1 credit**.

Accreditation Statement: This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the New York Academy of Medicine and the International College of Acupuncture & Electro-Therapeutics. The New York Academy of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians and takes responsibility for the content, quality, and scientific integrity of this CME activity. The New York Academy of Medicine designates this continuing medical education activity for 25 hours (3-day weekend seminar & workshop) or 35 hours (4 days - Annual Int'l Symposium at Columbia University) of Category 1 credit for the Physician's Recognition Award of the American Medical Association. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Future Schedule of monthly 3 day weekend Seminar & Workshop will be held at Holiday Inn Manhattan, 440 West 57th Street, NYC (between 9th & 10th Ave) during following dates: December 11-13, 2009, January 22-24, 2010, February 19-21, 2010, March 12-14, 2010, May 14-16, 2010, June 11-13, 2010

Dear Mr. Mason:

It was nice talking with you this afternoon. As I indicated every year we have an annual International Symposium on Acupuncture & Electro-Therapeutics at the School of International Affairs at Columbia University around middle of October. We have been advertising your hotel and special rate for the people attending Columbia Symposium for the past 18 years along with few other hotel and this \ year we have the 18th annual International Symposium for Medical Doctors , Dentists and Paramedical in Journal and Brochures.Until few years ago, one of your former woman mangers used to help us and all the participants get a special rate without writing.

As you requested I'm writing this letter to confirm the fact that as we discussed today Ms. Yu-Ying Chang of Texas has already made reservation for her room in your hotel in the early part of last week, as she was told that if I write letter to you or Reny she will get the reduced conference rate of \$135. She will be cominin the evening of Thursday October 17th and leaving Sunday morning, please help her by

honoring this special rate.

same

Also for any person who is attending to the 18th Annual International symposium, please give them same courtesy if you have the room. we would like to request

arrangement for the October, 2003 for 19th Annual Symposium. For the next October as soon as I know the date, I will let you know the date.

Thank you for your help.

Sincerely yours,

20,
